Reference: Roger Owensby Jr. Case

Dear Doctor Wecht:

I just wanted to drop a brief thank you letter for meeting with a contingent from the City of Cincinnati on August 14, 2002 to discuss the Roger Owensby Jr. case. The insights that you provided during the session will certainly assist us as independent fact-finders of the incident.

As promised at the August 14th session, enclosed are Internal Investigation Section (IIS) transcripts of Officer Patrick Caton and Officer Jason Hodge. Also enclosed in this shipment are two interviews of Ms. Aerial St. Clair and the accompanying polygraph analysis of her statements.

Please feel free to contact John Plahovinsak, OMI investigator, or myself, at (513) 352-1600, for any additional materials or evidence that you may need for your report.

Sincerely,

A handwritten signature in black ink, appearing to read "MAG".
